Presentation- Native American Indian Quilts: 150 Years of Sewing and Survival

Teresa will cover a tumultuous period in American Indian culture beginning in 1880, when Native American Indians were learning to adapt. Western missionary women made their way into the lives of American Indian communities. Native Indians were taught quilt making skills and provided fabric and supplies. Women with adept needle skills adopted Western patchwork quilts and made quilts that reflect their own cultural heritage. Learn how the transference from sewing buffalo hides and other natural materials to quilting took place and see the beautiful quilts made in this period.

Our January meeting is hybrid. Our speaker will join us by Zoom from Texas but we will meet in person and view her thru the Zoom projected onto the overhead screen. Zoom information will be sent out a few days ahead of the program for those not able to meet in person.

**October 13th and 14th, 2023
(Set up October 12th)**

We hope everyone had a happy new year! Now that the busy holiday season is behind us, it's time to think quilts, plan quilts, and sew quilts for our October quilt show! We are excited to ramp up the show planning and each month more information will be shared with you. Coming up next (in a month or two) will be the announcement of our Quilt Show Challenge, and anytime is a good time to start making or collecting items for our silent auction. We appreciate all you do for a successful quilt show!

Thanks from Quilt Show Co-Chairs,
Marlene Deutsch (marlenejerhaj@juno.com) and Cynthia Mohsenian (cywm2259@aol.com)

Love and Comfort Appreciation

Thank you to Marla Morris Kennedy who delivered 44 Love and Comfort quilts recently. And thanks to our wonderful guild members who spent their time and talents creating them for NICU babies. It's all appreciated by the recipients!

NSQG mourns the passing of long-time member
Jim Kennedy April 5, 1950 - November 24, 2022

For our members who knew Jim this is a very sad addition to our newsletter. Jim was a beacon of light....a smiling face at each quilt guild meeting he attended and a prodigious maker of Love and Comfort quilts! He served as treasurer for several years, and once his partner Joe retired, he also became an active member. (So Jim was a good recruiter!)

Jim and Joe met at a dance class at Fort Lauderdale's Southern Country South Florida dance organization. In late 2011 they moved to Joe's hometown of Grafton where they continued their happy and dedicated "two step" for many years. Jim made many great friends in their new home. He volunteered at Saint Joseph Parish, the Wisconsin Museum of Quilting and Fiber Arts in Cedarburg, the North Shore Quilt Guild, the Lakeshore Modern Quilt Guild, and the Grafton Senior Center. He filled in as instructor in the exercise class on numerous occasions. He enjoyed Mah-Jongg and many other activities.

All of our members know that Jim is now a happy warrior in his new heavenly home and Joe finds comfort in their faith. We know NSQG members will greet Joe with hugs when he comes to our monthly meetings.

If you would like to read Jim's complete obituary and perhaps leave a message, go to muellerfuneralhome.com (Cedarburg).

December Holiday Party

Our guild holiday party was a fun and tasty celebration thanks to Jana, Linn, and their committee. We began with an "I-Spy/get to know you" warm up and which was followed by some challenging quilt word scrambles. There were lots of laughs and conversations. Then the main event...the food! We are certainly a bunch of good cooks and plentiful food was enjoyed by all! Thanks everyone!
